Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos: eight that match the pictorials in this issue plus two scenes from the Barely Legal & Busty special.

As always, these videos are absolutely free with absolutely no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them or download and save them forever. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take **1818teen** anywhere you go.

Here are the highlights of this issue's bonus scenes.

Mandy Summers is a breath of fresh air. She's a dewy-faced newcomer with a slender body that she's all too eager to show off. Watch her spread and diddle her pussy.

Dylann Vox is slim 'n' stacked. Being out on a boat in Miami brings out her frisky side, so she puts on a tit show for you. Then she rubs and fingers her pussy on the boat with no shame at all.

Freckle-faced teen Dixie is feeling frisky. She gives us a tour of her body, and then she gives us a tour of her pussy and butthole. It's a destination you'll definitely want to visit again, especially when you see how wet she gets and how hard she cums.

Emma has a crush on her dad's friend. She wants to suck and ride his cock. He doesn't seem too worried about it and nails this little teen with

his fuck-hammer. Then he gives her a huge, sloppy facial.

Lolli's holes are sweet as candy. And this lucky dude gets to sample both of them. First he pounds her pussy, then he bangs her ass and empties his ballsauce on her face.

From the Barely Legal & Busty special, Mila's cumming in a tub. But first this skinny teen warms up by playing with her big, juicy tits. She rubs and squeezes them and pokes her nipples. The clothes come off and she gets to work, using the shower head to spray her clit with water.

Also from the special, Cece Capella shows us her suck 'n' fuck skills. Her full, perky tits bounce as she rides. They jiggle back and forth when she gets pounded on all fours or on her back. The facial she gets at the end of the scene is truly massive.

Alicia Williams is soft-spoken and shy. But she warms up the longer the camera is on her. By the end, she's completely naked, whimpering and moaning with a finger buried deep in her twat.

Cute Latina Jackie is practicing her guitar. But she'd rather do something else with her hands. She makes her way between her legs and strokes her slit way better than she strums the guitar. She really gets into it while rubbing her pussy in doggie-style!

Ali is wearing cute socks and this guy notices. He also notices her tight pussy and perky tits. She milks him with her slit and gets a facial.

Tons of Teen Hotties

Dear Virgin Territory,

What a fantastic issue of *18eighteen* Vol. 22 No. 4 was. Nice variety of girls too with Natalie with her B-cups and bush, Melody with her big C-cups and no bush, Elle with her A-

cups and bush, Sophie with her juicy C-cups, a creampie and three nice, big, full-page cum shots. I love all three and all the girls are very cute. Do Natalie, Melody, Lolli, Ali and Luna all have hardcore sets to run? I would like to see all the solo girls from this issue do hardcore sets and get covered in cum. The issue was so good, even Elle's tattoo never got to me. I see you did well to cover it on page 56 top pic, page 59 and page 60 top pic. This was a fantastic issue of *18eighteen*. Can I be greedy and ask for issues like this with lots of variety and four hardcore sets, please?

As for Volume 22 No. 6, Lulu is

very sexy. I like her pictures on pages 25 and 26. Allie is also very cute and yes she does look very young. I like her pictures on pages 34, 35, 36 and 37. Kate is also very cute. I like her pictures on pages 41, 42 and 43. Does she do hardcore? I would like to see her get a creampie and suck the guy's dick after he cums the way she is in the picture on page 43. I would like to see it in the centerfold. That would be mind blowing.

Anastasia is very sexy too. I really like her. She had a very good hardcore set. But the set I was looking forward to fell flat thanks to the creampie. No cum on her pussy at all just a small puddle under her bum, which was dissatisfying for me. Moving on, Danni had a very good hardcore set and a much better cum shot picture. Bexa I am not sure about so let's skip her. Natalie is another girl I am not sure about yet, but she did have nice pictures on pages 77, 78 top and 79. Terry is ok.

She's got nice tits and a nice bush but her hairy armpits are a bit off-putting. I like her pictures on pages 83 and 85 and would like to see her get a creampie or get her bush coved with cum. Please can you tell me if she does hardcore?

And finally Melody had a hardcore set I was looking forward to. She had a very good hardcore set as well but again at the end the cum shot was very poor. Not one drop of cum on her big, lovely tits. I can barely see any cum at all except for a few drips on her neck and top half of her chest. Her cum shot picture should have been like Danni's.

So Vol. 22 No. 6 issue of *18eighteen* gets a six out of 10. Sorry, but the only thing keeping it above five is Danni's cum shot picture. Also, thank you for making the *18eighteen* centerfold bubble blue again but keep changing it. Keep it fresh with a different color every issue. I also like what you're doing with the girl's

name intro. My favorites were in Vol. 22 No. 1, Vol. 22 No. 2 and Vol. 22 No. 6. And finally a question, is the girl who had her letter on pages 7 and 8 going to be in *18* magazine? Let her have a go. I bet she's a hottie.—J.M., Falkirk Scotland

Dear J.M.,

Natalie, Melody, Lolli, Ali, Luna and Kate all do hardcore. Terry does not. We're not sure if the girl who wrote a letter to Vol. 22 No. 6 will be featured. We'd love to have her, but the ball is in her court.

More Like Anal-stasia!

Dear Virgin Territory,

In Vol. 22 No. 6 Anastasia says "I didn't think my butt could stretch that much!" on page 4. I always believed in the stretching power of her asshole. You can do anything you set your mind to, and Anastasia is the type of girl who has cock on her mind. Despite her petite frame, I believe she could take on even the most massive of cocks. And I would love to see her air-tight and DP'd.

As for her pictorial, it was excellent. She delivers the goods and more. This little blonde goddess

starts off riding that cock like a pro. The way she looks over her shoulder while sliding her pussy down his shaft is extremely seductive. She may be a brace-face teen, but she knows what she's doing. Then Anastasia takes his cock in her ass with a smile. Her lubed up legs are spread wide and so is her pussy as she lets this guy penetrate her tightest, most intimate hole. That brings us to the centerfold shot, which is amazing. Great penetration, beautiful girl—it's an all around grade-A photo. It ended with a sexy anal creampie, which is the best place to cum if you're going to fuck a girl in the ass. I loved everything about this layout. Keep up the great work.—E.F., Canaan, Maine

Dear E.F.,

We doubted how much Anastasia's ass could stretch too, but she showed us. She's a pro!

Lulu's Got It Going On

Dear Virgin Territory,

Hot little Asians like Lulu make my cock hard. And the fact that she's in a schoolgirl outfit? Makes my cock drip even more. She has a sweet face and a great pair of tits. I know some of your readers don't like piercings, but I think Lulu's nipple piercings are hot. She's like a good girl and a bad girl rolled into one delicious teen package. When she pulls apart her purple pussy lips, her pink pussy-hole looks nice and tight. I can't wait to see it filled with cock.

Lulu says she likes hard sex. It's hard to believe a tiny thing like her can handle a real pounding, but I'll believe her. One thing I've learned is to never judge a book by its cover. Some of the most delicate-looking girls have turned out to be rough riding sluts! And I'm sure she wouldn't have made it to your studio if she couldn't handle porn stud fucking. I'm very much looking forward to seeing Lulu completely drenched in cum. Hopefully I don't have to wait too long.—H., via email

Dear H.,

Lulu fucked last issue in Vol. 23 No. 1. Check out the pictorial and the accompanying free video—they're both smoking

Anastasia shows us just how much her ass can stretch.

What Members Are Saying

A glimpse inside **18eighteen.com**

Lacey Channing: Creamy & Flexible

M3330823 says: "Those photos of her holding her legs behind her head are perfect pile driver position shots. She takes a very nice facial and I (others here as well) think she would look even hotter sporting a double facial."

Mia Manarote:

Assertive for Cock

M3330823 says: "Love her accent. The reverse cowgirl, then doggy are a work of art. Those lovely tits swinging and swaying are great. Her taking his load, then letting it drool out over those tits, all the while sporting a very naughty grin complete the episode."

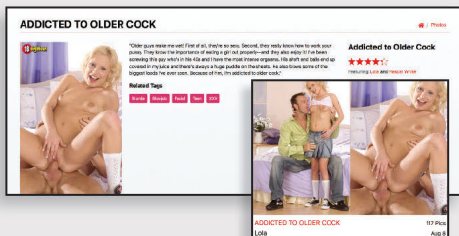

Lily Jordan:

Stick to What You're Good At

Titbert says: "You've got to like this scene of Lily Jordan deep-throating a guy while being held upside-down! That's real talent!"

Lola: Addicted to Older Cock

JRobertsLover says: "Would really like to see more pics like 89 & 90 in all of the hardcore scenes on the Scoreland sites. Doggy style from straight in front of the girl is a great perspective, especially if she is really enjoying it and making some hot facial expressions. Some hair pulling is always a bonus too!!! Please take this into consideration with your photographers..."

looks so sweet and innocent. One would think she'd be hiding in a library, not spreading her tight pussy in a porn magazine! I love her blonde curls, as they really emphasize her doll-like appearance. And with those white cotton panties, she is the image of purity. Although I know that will only last until I see her hardcore pictorial. But I don't mind seeing her naughty side. She's still an angel to me, even if she has a cock inside of her. Thank you for bestowing us with this beauty and her fine pussy and asshole. I can't wait to see more of her.-K., via email

Kate Is A Panty-Sniffer's Dream

Dear Virgin Territory,

Kate is such a cutie. I love those blue eyes! She also has a nice, fresh pussy that I'd love to tongue for hours until she leaves my face soaked with her teen juices. That little butthole of hers is also absolutely scrumptious. She definitely needs a finger buried deep inside, and I'd also be happy to rim her till the sun comes up. It's a shame you don't do

panty giveaways anymore, as I would love to get my paws on Kate's panties. I would put them on my face and inhale deeply while jacking my cock, getting high on her sweet scent. It would be the next best thing to actually having my face in her pussy. For future reference, please bring back the panty giveaways!-M.M., New York, New York

Mandy is fun, fresh and flirty.

Mandy is a fun-loving, athletic hottie from California. She skateboards, plays volleyball and wants to be a veterinarian. When it comes to dates, she says she likes anything. "It's the experience and time spent with that special person that are important." We'd do anything with Mandy too, as long as it ends with her in those panties.

Tell us about the kinkiest sex you've ever had, Mandy.

"It was in my living room in my old apartment. My boyfriend at the time tied me up and fucked me from behind while spanking me and pulling my hair. I loved that I was restrained and he was in control. And it's so sexy when the fucking is a little bit rough."

**Would you say
you're passive
when it comes
to sex?**

"Yes, definitely. I like the guy to take charge and have his way with me. I don't like making the first move. I want him to show me how bad he wants me by going for it. It's a big turn-on when they put the effort in and seem like they almost can't control themselves around you."

Getting what was promised wasn't asking all that much, was it? Jill didn't think so. With her top client forced to rush out of town and leave his best friend—of the four-legged variety—behind, it sure seemed like he'd left the door wide open. But...which door? Jill was excited about the pooch's owner returning, believing she could get whatever she wanted. After all, she'd pursued him with...

DOGGIE'D DETERMINATION

By Joe Monks

Jill gave the leash a tug, Bloo having stopped to sniff a tree. She resisted, snout twitching, then came bounding over. Probably catching up on the local doggie gossip, Jill surmised. No different than her and her friends gathering in the bathroom between classes, talking about who'd gone down on whom, who'd gotten fingered at the movies, or which one of them had gotten totally slutty at Barrett Park after closing time. Jill remembered her first time at Barrett. Thinking about it, she stopped and extended the leash, letting Bloo trot back to the big oak. The pooch whimpered in delight. Jill couldn't help but think that night at the park, she'd whimpered in much the same way. That Monday in school, she'd been late for all her classes, sharing the details. At the park, she'd been just as excited as Bloo. And...both of them had their noses close to wood.

Sniffage complete, Bloo came along happily as Jill turned onto Fowler, closing in on her destination. She snatched up a paper bag that had blown onto the street, dropping it into the trash can at the corner. As a Toyota with two college guys rolled by, the driver gave an appreciative triple-honk, the passenger eyeing her gape-mouthed. She gave them a

thumbs up, throwing in a little shake of the hips for good measure, before continuing on her way. It wasn't quite a twerk, but she had a nice ass, and knew guys liked to look at it. That sometimes she gave them a little more than they expected to see? All the better, seeing as that got her hot.

Tess, her bestie, couldn't believe she'd taken the gig. "Dog walking?" she'd objected. "You're going to smell like a mutt!"

"Relax," Jill reassured her. "I promise not to smell like Rover in your new car."

And, she hadn't. Sure, a couple of the cute critters she'd watched the first few weeks needed a bath, but that had been the ticket for her. She'd begun to offer that service, too, and the customers loved it. She'd started getting tips. Word got

around. And, with college looming, her bank account began to look a lot less pathetic.

That wasn't all, though. The guys! She had met so many sexy guys! Tess didn't have to worry about boys. She had big tits and money and a flashy car, as well as perpetually-pouty lips that made her look like she should be on a poster for blowjobs. Guys didn't care about her having terminal Resting Bitchface, because who cared if a face was bitchy if you were fucking it? And Tess? She'd shown Jill how to give head during one of their many sleepovers, and that gal knew how to suck a dick.

She checked her phone. It was a little

She sighed, flexing her legs, the tingly sensation traveling straight up her thighs to her butt.

early, but ehh, what was another few minutes walking around with Bloo? Jill loved the fuzzy four-legger, whose owner was pretty damn cute himself. Jason rented a duplex a couple of blocks from Jill's house, and had to go out of town a lot. Jill didn't know exactly how old he was, but didn't think he was 30. He'd heard about her from a friend's mom, and after the interview, he'd stuffed a hundred bucks in her hand for a 3-day weekend, and ever since, when he had to travel, Jill got the call. This time, though, it hadn't been a quick trip. Jace had been away for a week, meaning Bloo had stayed at her

place. They hadn't discussed a price—Jason had needed to fly out immediately—but he'd promised to "Treat her right," when he got back.

If only... she sighed, flexing her legs, the tingly sensation traveling straight up her thighs to her butt. Jace hadn't mentioned a girlfriend, but Jill couldn't imagine him not seeing someone. He was good looking, and well put-together. The reason for today's choice of skirt and...

accessories. Tess couldn't

believe the lengths Jill was going to get his attention, but today? If things didn't change, perhaps it was time to move on. She could always take Chris up on his invite to go running on the beach with Polo, his rottie. Jill had considered it. More than once, in fact. She'd seen Chris in running shorts washing his car, and her pussy had given a Mrrreeeoowwrrrr in approval. The boy had some serious junk, and the idea of straddling him after a day at the beach? Thinking about that before going to sleep had left her with syrupy fingers more than once.

"You're going to wear a what?" Tess had said, mouth hanging open.

"Like I said," Jill had told her. "A little something...special."

She heard the engine, but didn't bother to look. Instead, she bent over to scratch Bloo behind the ears, before stopping at the mailbox to gather up today's stack. Ads and a catalog, she saw with relief. Nothing he'd need to open immediately. Things were looking up.

"Hey, Jill!" he said, crouching to give his little girl some love. Bloo put her paws on his chest and snouted him on the cheek, panting like she'd just run the marathon. Jason patted her on the backside and led the way in, snagging a bone from the treat box.

"How was she?" he asked, washing his hands and turning his attention to Jill. "Good?"

"You sure bailed me out," he said, smiling at her. Jill wondered if he'd been watching her as she'd gone to

Bloo returned with the treat, eyed the potential competition, and disappeared up the stairs.

"Well," she said, drawing it out long enough for him to prod her on.

"Nothing serious. Sharkey got a bit...frisky."

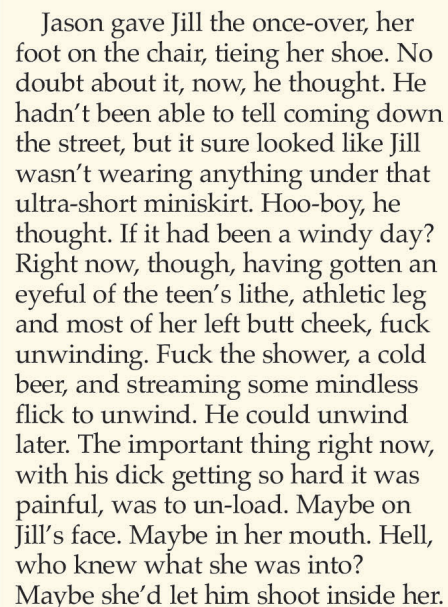

"You'd think he'd get the hint by now," Jace said, chuckling.

"Not just, doggy girls, I would

"Ohh," she said, shaking her head. "No. I'd be willing to say all types of girls. Even the two-legged kind."

Assuming he was paying attention.

She guessed he was. She'd never seen Jace in anything but work pants, but you would have had to be blind not to notice the bulge between his legs. Any minute now, and her best client was going to be pitching a tent he wouldn't be able to hide.

He had her top off in a flash, breaking their ferocious lip-lock only long enough to pull it over her head. It was no surprise to find her braless, her small, perky breasts capped with nipples that looked as hard as his cock. "Why don't we—"

Her hand was inside his pants, yanking aside his boxers until his dick sprang through the panel. Her thumb rubbed his tip, smearing the pre-cum that had leaked out of him all around.

Dylann loves tanning her milky mams.

Dylann has a nice rack and she knows it. She has no qualms about getting topless on a boat and letting her hooters hang while other boaters pass her by and honk. "I have a wild streak. I like to flash my titties. They always get a good reaction. If you've got it, flaunt it!"

Do you like to flash your pussy?

"For the camera, sure. I like to be nude outdoors, but I don't know if that's the same thing as flashing my pussy. I just like to be naked. I like to stick my pussy in the face of the guy I'm about to hook up with. I love when they look at it and spread it open right before sticking their tongue in and eating me out like my pussy is the last drop of water in the desert."

What are you into sexually, Dylann?

"I'm bisexual so I love being with women. I've dated three women in my life. I love women so much, as much as men. I don't think I could choose one over the other. My dream is to have a boyfriend and a girlfriend at the same time, and we could all have hot three-ways. I haven't met anyone who's open-minded enough for that yet, but hopefully I will soon."

Those freckles and innocent smile might have you believe that Dixie is a sweet girl—and you wouldn't be wrong. It's just that she's a sweet girl who likes being manhandled, big cocks and getting fucked hard from behind. "I'm also a big fan of reverse cowgirl and doing 69."

What was your first time like?

"I was with my boyfriend and it was kind of hard because he has a huge black cock. Eventually he got it inside me, but man, it felt so tight! Then we tried to do anal but no way that was going to happen. I need to start with a smaller cock for that."

Do you like older men?

"Yes. I like guys anywhere from 19 to 35. I might even go a little bit older if he's super sexy. I like that older guys are more mature and experienced. With them, I feel like I'm with someone who knows what they're doing and can take care of my needs. Older guys make me cum harder."

No guy could resist Emma.

Emma gets what she wants, and that's a mouthful of man-meat. JMac face-fucks Emma and she gurgles as his cock hits her tonsils. When she pulls back, strands of spit hang between her lips and his cockhead. Watch it on video with your free access code on page 3.

Don't let dad find out.

"My dad should know better than to invite his friends over to the house. If there's one thing I've learned, it's that older guys love me. And I love them too. This guy really fucked the shit out of me. I had to wash my sheets because they reeked of sex!"

"I didn't think we were going to do it. But the idea just popped into my head. I was already so wet, with my juices dripping down my crack and lubricating my asshole. I'd already cum from my pussy so I was nice and relaxed. When I told him to stick it in my ass, he was shocked! But once I was rubbing my asshole on his tip he knew I meant it. DOGGIE'D DETERMINATION

"Get naked and fuck our brains out?" she said, finishing his sentence, if not his thought.

"Sounds good," he agreed, putting his hands on her ass. "I'm in."

"Not yet you aren't," she shot back, undoing his fly and getting into position just as he hauled her off her feet.

Jill's pussy was dripping. When Jace had done the bump-and-grind, the front of her mini was already soaked through. Jill felt lucky she hadn't worn her green one. That one would have looked like she'd just peed herself.

Not that she wasn't excited enough to. Her clit was throbbing, her folds sloppy. She needed to get laid. Making it happen with the guy she'd been hot for so long? Only heightened the urge.

She could smell the pussy juice running down her legs, and when Jace hit it, pumping her full of dick, bareback? She practically climaxed.

Jason carried the 18-year-old like she weighed nothing, her legs around his waist and her ankles crossed behind his back. He remembered having made the bed before leaving town. He was sure of it. Now, though...it looked like the quilt was mussed a little, and not from Bloo tunneling under the blankets. Falling on top of Jill in that same spot, it occurred to him that this might not be the first time she'd been on his bed. And...it might not even be the first time she came in it.

With none of that making a damned bit of difference, he pounded the entire length of his shaft into Jill's greasy, teenage cunt.

"You like that?" he grunted, pumping away, the squelch of her wetness louder with every downstroke.

"S-sure," she confirmed, her calves way up on his back now. "But I'll love it if you ma-ma-make me c-cum!"

Jason obliged. Jill exploded, her twat engulfed in a series of uncontrollable, orgasmic spasms. Her lovehole milked his cock, desperately trying to suck the cum out of it. Jace had better than average staying power, though. Raunchy and unexpected as this was, he wasn't ready to blow just yet.

"Gimme another one," Jill begged. "Ungh! Ooh, more! Yeah, there...hit it, right...there!"

She howled, 100 percent authentic movie climax-cry. She was banging her head back against the mattress, Jason drilling her like he intended to fuck her into the box spring. Tears of ecstasy ran down her face, and she gnashed her teeth into his earlobe as he closed in on her third.

"Don't stop!" she moaned, her twat so lubed it was rubbing off on his lower belly. She let out a little squeak, followed by a bigger one, and then her snatch all but locked up on him.

Jason had been with inexperienced girls before. He'd been in high school once upon a time, too. He'd felt girls whose muscles had frozen up. Back then, though, it was usually around a finger. Not now, though.

Like a piece of slick pink machinery, Jill seized around his pole, so tightly that when he went to pull out, he lifted her right off the bed. The end result being that when they crashed back down, all it did was wedge his prick even deeper up her slot.

"Hold up," she said. "Just a sec."

He did, supporting himself while remaining buried balls-deep. Jill fingered her clit frantically, so wet her fingers sometimes slipped right off. Thirty seconds, though, was all it took. As the third orgasm hit her, Jason found himself free to plow into her without any restriction, which led to cums four and five, back to back, the last one so intense it actually threw him off her.

"Well," he said admiringly, Jill racked by post-climactic tremors. "That was impressive!" He ran a fingertip from her clit to her belly button, the latter filled with girl goo.

"Nah," she managed after catching her breath. "Silverino is impressive."

"Silverino?" he asked, not understanding. "Sounds like a truck."

Jill didn't get up, she simply wriggled out of the miniskirt the way Bloo would wriggle out of her harness if it

wasn't secured right. She tossed the sticky garment to the floor and rolled onto her side to face him, putting her hand on his chest.

"Silvy makes it more exciting," she told him, grinning wide. "But...I think it's okay to take him out now."

"Him?" Jason asked, as Jill swung her leg over his head and squatted atop his midsection, letting the visual do all the talking.

"Holy shit!" he exclaimed, staring at the jewel-studded silver buttplug held securely between her cheeks. Jason stared, not knowing what to say, much less to do. He'd engaged in some minor ass play with a couple of exes, but a finger-okay, maybe two—was as far as that had ever gone. He had no idea if she really expected him to take it out. A few seconds passed. She glanced back, still smiling, and shook what her mama gave her.

"Just go slow," she instructed. "And, maybe twist it a little."

"That helps?"

"Helps me cum," she giggled, putting her hands on her butt, slowly parting her cheeks, and resting her boobs on his thighs.

He grabbed the handle, applying a little pressure. Nothing happened. Having no clue how big the part of the plug he couldn't see was, he tried again, a little more effort this time.

"Ooh," she said, which stopped him cold. She giggled even more.

"Oh, come on!" she chided. "You fit your big dick in me. You can...work this out."

He took hold of the handle again, remembering to twist it back and forth as he worked. Her sphincter was reluctant, but after slowly increasing the pressure, Jill's tight asshole began to give in.

"Mmmmmmmmm," she groaned. "More of that—like a corkscrew!"

Jason wasn't just rotating the buttplug now, but changing the angle. He could feel its tip probing Jill's anal walls. A little bit more of it came into view. He halted his extraction, and much like he did with a stick he was tossing to Bloo, shook it back and forth, most of it still deep inside her.

Jill creamed, dew leaking out of her pussy and flowing all over him. Her forehead rested against his knee as she purred with delight.

"So...fucking...good!" she marveled. "You have a talent for this."

Most of our *18eighteen* models don't even need an underwire bra to support their tiny, perky tits. However, a handful of our teens have racks that are more than, well, a handful. These gals may not be super-titters like *SCORE* Girls, but they're still packing up top. They developed early, and who knows how big their tits will grow over time. They're slim and stacked and they know what to do with their tits: wrap 'em around cocks and squeeze tight till those dicks erupt on their teen cleavage.

The best thing about teen titters? They have pretty faces to match their plump racks. Emily is all-around gorgeous. River has stunning eyes that will lure you in as much as her pale, oval nipples and D-cup hangers. Li is an exotic beauty from the East who can keep you warm with her curves. And Raven's face is as cute as her tits are juicy.

DOGGIE'D DETERMINATION

Continued from page 65

Believe me. I know!"

Jason began to experiment. He had a better grip on the handle now, which enabled him to waggle the sex toy in different directions with hardly any effort. He was getting into it, trying to elicit another orgasm. He hesitated again, caught off guard. Not by her reaction to anything he was doing, but to her mouth on his cock.

"Don't let me interrupt you," she teased, slapping her own ass. She hungrily began sucking her nectar off his dick, while Jason fumbled with the buttplug, not quite able to focus the way he'd been a few moments earlier, but doing his best. Down below, Jill stroked his shaft, cupped his nuts, and began to suck them.

If she's using two hands...

He changed his approach. Running his left index finger around her ass, he began to push the buttplug deeper before retracting it, one-upping her formidable oral efforts.

She returned the volley, adding in some excellent filthy talk.

"I'm gonna make you jizz in my mouth," she told him. "Suck you off 'til you blow your load. Right, down, my throat."

"We'll see," Jason challenged, finding a particularly sensitive spot and drumming the buttplug back and forth, the reaction instantaneous. Jill screamed, twat sauce glistening as it trickled out of her gash, her fingers digging into the base of Jason's shaft. Now, his thumb was working her ring of muscle, and as more of the buttplug slipped free, she couldn't keep up. She was hit by cum after cum, unable to hold him between her lips, much less deep throat him, and so resorted to fast-jacking him as he took her to the brink of passing out.

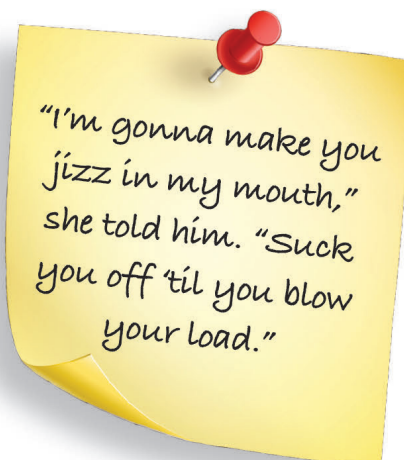

"OKAY!" she cried, biting her fist. "Okay, you win!"

The plug popped out of her asshole with a satisfying *plok!* The teen collapsed, thighs coated with cunt juice, the folds around her clit pulled back by the extremity of its swollenness. She reached for his cock, having a hard time holding on. Jason didn't care. She sucked a mean dick, no two ways about it. But while he'd intend-

ed on finishing that way earlier, things had changed.

Jason slipped his arm under her ribs and spun her around much like he did to Bloo when they were playing. Jill wound up facing the headboard, still reeling from the series of rapid-fire cums. Jason got in position, and latched onto her hips.

He paused, thinking about this. He considered spitting in his palm and

getting ready that way, but staring at Jill's slippery pink from behind solved his problem. He got in tight, let his shaft snug-up between her lips, and slathered his shaft in her juices.

"Ohmygod!" she panted, Jason leaving it in place for a moment as it sat nestled against her button. Then, he pulled back, took aim, and thrust into her ass.

She might've been used to the buttplug. After all, it had its own nickname. But Jason was well-hung, and what he crammed up her was far different from the toy he'd just removed.

"Fuck!" she yelled, gripping the headboard and holding on tightly.

Jason took her literally this time around, and went to town on her, doggie-style. At first, Jill was in time with him, their rhythm smooth. He would withdraw some, she would get set, and as he rammed into her anus, she would throw herself back into him, their hips slapping together as he ass-fucked her to another climax. That, however, was the only one she could keep up with. After that? It was much like she'd said when she'd finished his sentence. Only, it was Jason fucking Jill's brains out.

"So, you like it from behind, huh?" he grunted, rocking her shapely hips side to side as he continued his relentless ass-hammering.

"It's the best," she moaned. "I, I just didn't know if...if you would."

"Would what?" Jason asked, feeling the rumbling in his nuts. Wouldn't be long now, he knew. He wasn't worried, though. He didn't think Jill could last much longer.

"Finish this way," she confessed. "I told Tess all I wanted was this. For, for you to fuck my ass. Fuck it, and then jizz in it."

The desire in her voice was something he wished he could've bottled. His balls tightened, and for a second, he thought he was going to shoot. A deep breath and concentration delayed that. Just not for long.

"That what you want? To feel me blow my load inside you?"

"Yes!" she pleaded. "Do it! I want to feel you! Feel you cum in my ass!"

Jason couldn't hold back any longer. He pumped her one last time—hard—and erupted, firing a torrent of semen into Jill's buttohole.

Jill felt it, like volcano lava spewing into her ass. Spurt after spurt. Jason unleashed a geyser of spooze, emptying his seed into her back door.

Two weeks later, Jason returned from a quick over-nighter to find a surprise waiting for him. Jill was there, as she had been every day after he got home from work. Today, though, she wasn't alone. And there was a lot more barking.

"Hey there, you!" she said, giving him a kiss. "I want you to meet a friend of mine. Jace, this is Tess."

"Hi," he said, taking in the other girl's features. The chick was smokin'.

"And," Jill went on. "Sharkey, you already know."

The Dolan's feisty beagle was pulling at his lead, which Tess had a firm grip on. Neither girl, Jason noticed, was wearing much.

"Think we can let them play?" Jill mused, unhooking Bloo's leash. The dog took off, stopping in the doorway and looking back at Sharkey.

"Sounds like a good idea," Jason agreed. Tess set the eager pooch loose. Jill was right beside her now, tugging on Tess' skirt. One from Jill's micro-mini collection.

"Why don't we—" Jason began.

But Jill didn't let him finish.

At least not for another hour and a half, anyway.

Alicia is just discovering her sexuality.

Alicia is petite and soft-spoken. But under her shy demeanor, her hormones are raging. She masturbates with toys. She likes to get fucked hard. She doesn't have much experience with sex, but there are lots of things she'd like to try, like three-ways and getting blindfolded.

What was school like for you, Alicia?

"I was homeschooled most of my life so I didn't have the normal experience. I'm making up for lost time now by having sex and taking naked pictures. I'm still pretty shy but slowly coming out of my shell. I'm building up my social life so I can have more options when it comes to guys."

What kind of things turn you on?

"Fucking me hard and fast makes me cum and feels awesome. I want them to pound me so hard that I scream and moan. My favorite position is doggie-style, but where they lift my upper body and hold up my boobs and squeeze my nipples. I love getting my clit kissed. I'm also turned on by sexy older men who have salt and pepper hair."

Jackie has a solid solo act!

Jackie likes strumming her guitar almost as much as she likes stroking her pussy. In both cases, she's a maestro. "What can I say? I'm good with my fingers. I can play a song with my guitar, and I'll sure sing a tune when I play with my pussy. I've always been quick to pick things up—including how to make myself cum."

**Tell us more about
your kinky side.**

"I have a fantasy of a MILF and DILF dominating me together. My kinkiest encounter was in a cemetery behind my church. I'm bisexual and love women. And I've recently started using a buttplug in hopes of having anal sex soon."

Ali goes from foot-play to fucking.

If socks and feet are your thing, you'll enjoy this layout. If not, you'll still enjoy Ali sucking and fucking. In the video, this guy plays with her feet. But Ali wants more than her tootsies touched, so he gives her pussy the same attention, fingering her slit and rubbing her clit.

She's hot from head to toe.

Ali sucks and strokes his shaft, then rubs his cock with her feet before laying back to get fucked. He slides right in and picks up the pace while squeezing her tits. Watch the XXX video for free with the access code on page 3.

What did you think of his foot fetish?

"I'm cool with it! He got so hard when I put my feet in his face and rubbed his cock with my soles. He even wanted me to keep my socks on while we fucked. I just wanted to make sure that he came on my face and not my feet! He didn't have any issue with that and gave me a huge load in my mouth and on my cheeks."

Yeah, Daddy would freak if he found out, but the truth is, these little darlings are just daddy's girls at heart.
